8.5 COMM - Band Member Delegation - August 09, 2022, CNCL Regular meeting

Please see below plan to address the recent band member delegation to Chief and Council regarding the Stswékstem Engineered Waste Management Facility and remediation of the existing TteS landfill.

1. Requested: That the project be stopped to conduct due diligence laid out by membership.

2. Requested: Proper community engagement workshops and information gathering sessions that are accessible to all (schedule accommodates working members, transportation is offered) and that all band members are aware of*.
 - In-person information and engagement session
 - **Thursday, August 18th 4-6pm Location TBD**
 - Survey to be sent out to membership for input on the project
 - Tour of the Stswékstem Engineered Waste Management Facility site and existing TteS landfill.
 - **Monday August 22nd at 5 PM** – A bus will be in front of Moccasin Square Garden (MSG) at 5pm to transport members safely to the site. The bus will return to MSG by 7pm or earlier. Please see poster and registration to be distributed as soon as possible.

**More engagement, information sharing and input gathering sessions will be scheduled based upon consultation*

3. Requested: Information about the project

List of documents/information to be shared:

- Documentation and minutes from meetings where the project was presented, approved and input was requested.
- Process that was followed for this project.
- Profile on Environmental consultants
- Project Description w/site map
- Frequently Asked Questions
- Project Development History Table

- Historical Groundwater Report Showing Leachate Contamination
- Existing Landfill Closure Report: Executive Summary with a few figures, and corporate summary on Sperling Hansen and Associates
- Hamerra Report for Existing Landfill, with corporate summary
- Lakeshore Report for new landfill, with corporate summary
- Environmental Management Plan
- Development Approval Board Letter
- Letter from ISC indicating approval has been met
- Archaeological Impact Assessment: Executive Summary
- Questions from band member delegation to Chief and Council on August 9th, 2022

Information will be shared in many ways:**

- Binders, with all the documents listed above, will be provided to any in-person session or tour participant and anyone requesting a printed copy. These can be picked up at the TteS Administration Building. These will be available by **Wednesday, August 17th at noon.**
- Mailout to TteS band members home addresses via Canada Post during the week of August 15th, 2022.
- Online on the following websites: (currently being updated)
 - ✓ <https://www.grasslandorganics.com/projects/>
 - ✓ <https://www.tkemplupsbusiness.ca/businesses-projects/stswekstem>
- TteS Communications Community Bulletin E-Newsletter – Sundays

***If any member cannot access information in the ways detailed above, we will make other arrangements to ensure the information is received by members in a timely manner.*

Kukwstsétsemc (thank you),
Danalee
